- 9. Grounds exist for revoking the Probation and imposing the order of revocation of Respondent's License. Condition 15 of the Stipulated Settlement and Disciplinary Order states, in pertinent part: "If Respondent violates probation in any respect, the Board after giving the Respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed."
- 10. Respondent has violated Probation, as more particularly set forth in the following paragraphs:

FIRST CAUSE TO REVOKE PROBATION

(Pharmacist Recovery Program)

11. At all times after the effective date of Respondent's Probation, Condition 18 stated:

Within thirty (30) days of the effective date of this decision, Respondent shall contact the Pharmacists Recovery Program (PRP) for evaluation, and shall immediately thereafter enroll, successfully participate in, and complete the treatment contract and any subsequent addendums as recommended and provided by the PRP and as approved by the Board or its designee. The costs for PRP participation shall be borne by the Respondent.

If Respondent is currently enrolled in the PRP, said participation is now mandatory and as of the effective date of this decision is no longer considered a self-referral under Business and Professions Code section 4362(c)(2). Respondent shall successfully participate in and complete his current contract and any subsequent addendums with the PRP.

Failure to timely contact or enroll in the PRP, or successfully participate in and complete the treatment contract and/or any addendums, shall be considered a violation of probation.

Probation shall be automatically extended until Respondent successfully completes the PRP. Any person terminated from the PRP program shall be automatically suspended by the Board. Respondent may not resume the practice of pharmacy until notified by the Board in writing.

Any confirmed positive test for alcohol or for any drug not lawfully prescribed by a licensed practitioner as part of a documented medical treatment shall result in the automatic suspension of practice by Respondent and shall be considered a violation of probation. Respondent may not resume the practice of pharmacy until notified by the Board in writing.

During suspension, Respondent shall not enter any pharmacy area or any portion of the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient consultation; nor shall Respondent manage, administer, or be a consultant to any

licensee of the Board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs and controlled substances. Respondent shall not resume practice until notified by the Board.

During suspension, Respondent shall not engage in any activity that requires the professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a designated representative for any entity licensed by the Board.

Subject to the above restrictions, Respondent may continue to own or hold an interest in any licensed premises in which he holds an interest at the time this decision becomes effective unless otherwise specified in this order.

Failure to comply with this suspension shall be considered a violation of probation.

Respondent shall pay administrative fees as invoiced by the PRP or its designee. Fees not timely paid to the PRP shall constitute a violation for probation. The Board will collect unpaid administrative fees as part of the annual probation monitoring costs if not submitted to the PRP.

- 12. Respondent's Probation is subject to revocation because he failed to comply with Probation Condition 18, referenced above. The facts and circumstances regarding this violation are as follows:
- A. Respondent failed to participate in and complete the PRP. Respondent was terminated from the PRP on or about June 23, 2011. Respondent was terminated from the PRP based upon Respondent's two positive tests for use of controlled substances and/or dangerous drugs, and Respondent's failure to enroll in an inpatient treatment program as mandated.

SECOND CAUSE TO REVOKE PROBATION

(Abstain from Alcohol and/or Drugs)

13. At all times after the effective date of Respondent's Probation, Condition 20 stated:

Respondent shall completely abstain from the possession or use of alcohol, controlled substances, dangerous drugs and their associated paraphernalia except when the drugs are lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon request of the Board or its designee, Respondent shall provide documentation from the licensed practitioner that the prescription for the drug was legitimately issued and is a necessary part of the treatment of the Respondent. Failure to timely provide such documentation shall be considered a violation of probation. Respondent shall ensure that he is not in the same physical location as individuals who are using illicit substances even if Respondent is not personally ingesting the drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia not supported by the documentation timely provided, and/or any physical proximity to persons using illicit substances, shall be considered a violation of probation.

///

- 14. Respondent's Probation is subject to revocation because he failed to comply with Probation Condition 20, referenced above. The facts and circumstances regarding this violation are as follows:
 - A. On or about March 4, 2011, Respondent tested positive for hydromorphone and hydrocodone.
 - B. On or about April 29, 2011, Respondent tested positive for hydrocodone.

CAUSE FOR DISCIPLINE

(Unlawful Self-Administration of Controlled Substances or Dangerous Drugs)

15. Respondent is subject to disciplinary action under Code section 4301, subd. (h) in that Respondent unlawfully self-administered controlled substances and/or dangerous drugs. The circumstances are detailed above in paragraph 14.

DISCIPLINE CONSIDERATIONS

- 16. To determine the degree of discipline, if any, to be imposed on Respondent, Complainant alleges that on or about November 6, 1986, in a prior disciplinary action entitled In the Matter of the Accusation Against Eric Duane Ozimy before the Board of Pharmacy, in Case No. 1298, Respondent's License was revoked, the revocation stayed, and placed on probation for a period of two years. That decision is now final and is incorporated by reference as if fully set forth.
- 17. To determine the degree of discipline, if any, to be imposed on Respondent,
 Complainant alleges that on or about August 11, 1988, in a prior disciplinary action entitled In the
 Matter of the Accusation and Petition to Revoke Probation Against Eric Duane Ozimy before the
 Board of Pharmacy, in Case No. 1408, Respondent's License was revoked, the revocation stayed,
 and placed on probation for a period of five years. Respondent was also suspended from the
 practice of pharmacy for one year. Respondent's return to practice was contingent upon the
 approval of the Board and the successful completion of the Pharmacist Recovery Program. That
 decision is now final and is incorporated by reference as if fully set forth.

Failure to submit timely reports in a form as directed shall be considered a violation of probation. Any period(s) of delinquency in submission of reports as directed may be added to the total period of probation. Moreover, if the final probation report is not made as directed, probation shall be automatically extended until such time as the final report is made and accepted by the Board.

Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of Respondent undertaking any new employment, Respondent shall cause his direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during Respondent's tenure of employment) and owner to report to the Board in writing acknowledging that the listed individual(s) has/have read the decision in Board case number 3298, and terms and conditions imposed thereby. advance of the Respondent commencing work at each licensed entity. A record of this notification must be provided to the Board upon request.

Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen (15) days of Respondent undertaking any new employment by or through a pharmacy employment service, Respondent shall cause his direct supervisor with the pharmacy employment service to report to the Board in writing acknowledging that he has read the decision in Board case number 3298 and the terms and conditions imposed thereby. 9. Reimbursement of Board Costs

As a condition precedent to successful completion of probation, Respondent shall pay to the Board its costs of investigation and prosecution in the amount of \$2,249.50. Respondent shall make said payments as approved by the Board.

There shall be no deviation from this schedule absent prior written approval by the Board or its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

The filing of bankruptcy by Respondent shall not relieve Respondent of his responsibility to reimburse the Board its costs of investigation and prosecution.

10. Probation Monitoring Costs

Respondent shall pay any costs associated with probation monitoring as determined by the board each and every year of probation. Such costs shall be payable to the Board on a schedule as directed by the Board or its designee. Failure to pay such costs by the deadline(s) as directed shall be considered a violation of probation.

11. Status of License

Respondent shall, at all times while on probation, maintain an active, current license with the Board, including any period during which suspension or probation is tolled. Failure to maintain an active, current license shall be considered a violation of probation.

12. License Surrender While on Probation/Suspension

Following the effective date of this decision, should Respondent cease practice due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, Respondent may tender his License to the Board for surrender. The Board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable. 13. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the Board in writing within ten (10) days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the Board in writing within ten (10) days of a change in name, residence address, mailing address, or phone number.

Failure to timely notify the Board of any change in employer(s), name(s), address(es), or phone number(s) shall be considered a violation of probation.

14. Tolling of Probation

Except during periods of suspension, Respondent shall, at all times while on probation, be employed as a pharmacist in California for a minimum of forty (40) hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be extended by one month for each month during which this minimum is not met. During any such period of tolling of probation, Respondent must nonetheless comply with all terms and conditions of probation.

Should Respondent, regardless of residency, for any reason (including vacation) cease practicing as a pharmacist for a minimum of forty (40) hours per calendar month in California, Respondent must notify the Board in writing within ten (10) days of the cessation of practice, and must further notify the Board in writing within ten (10) days of the resumption of practice. Any failure to provide such notification(s) shall be considered a violation of probation.

It is a violation of probation for Respondent's probation to remain tolled pursuant to the provisions of this condition for a total period, counting consecutive and non-consecutive months, exceeding thirty-six (36) months.

 "Cessation of practice" means any calendar month during which respondent is not practicing as a pharmacist for at least forty (40) hours, as defined by Business and Professions Code section 4000 et seq. "Resumption of practice" means any calendar month during which respondent is practicing as a pharmacist for at least forty (40) hours as a pharmacist as defined by Business and Professions Code section 4000 et seq.

15. Violation of Probation

If a Respondent has not complied with any term or condition of probation, the Board shall have continuing jurisdiction over Respondent, and probation shall automatically be extended, until all terms and conditions have been satisfied or the Board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty that was stayed.

If Respondent violates probation in any respect, the Board, after giving respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. Notice and opportunity to be heard are not required for those provisions stating that a violation thereof may lead to automatic termination of the stay and/or revocation of the license. If a petition to revoke probation or an accusation is filed against Respondent during probation, the Board shall have continuing jurisdiction and the period of probation shall be automatically extended until the petition to revoke probation or accusation is heard and decided.

16. Completion of Probation

Upon written notice by the Board or its designee indicating successful completion of probation, Respondent's License will be fully restored.

17. Suspension

During suspension, Respondent shall not enter any pharmacy area or any portion of the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices or controlled substances are maintained. If Respondent is currently enrolled in the PRP, said participation is now mandatory and as of the effective date of this decision is no longer considered a self-referral under Business and Professions Code section 4362(c)(2).
